(on the 30th anniversary of National Nature Park “Vyzhnytskyi”)**

September 25–26, 2025

(Information Letter)
Berehomet, Chernivtsi Region, Ukraine

Dear Colleagues,

We are pleased to invite you to participate in the International Scientific and Practical Conference

“PRACTICAL ASPECTS OF THE FUNCTIONING OF NATURE RESERVE AREAS AND OBJECTS IN THE CONTEXT OF SUSTAINABLE DEVELOPMENT”,

dedicated to the 30th anniversary of National Nature Park “Vyzhnytskyi”, which will take place on **September 25–26, 2025**, at the premises of National Nature Park “Vyzhnytskyi” (Berehomet, Chernivtsi region, Ukraine) in a hybrid format (in-person and online).

We welcome the participation of scientists, researchers, university educators and students, representatives of government and local authorities, NGOs, and both private and public sector enterprises.

Deadline for submission of applications and articles: **August 30, 2025**.

ORGANIZING COMMITTEE

Chairperson: Halyna Marchuk – Director of National Nature Park “Vyzhnytskyi”

Deputy Chairperson: Vitalii Stratii – Deputy Director for Scientific Affairs, National Nature Park “Vyzhnytskyi”

Executive Secretary: Zina Riznychenko – Head of the Research Department, National Nature Park “Vyzhnytskyi”

Committee Members: Assoc. Prof. **Ruslan R. Vyceha**, PhD in Agricultural Sciences (*National Forestry University of Ukraine*); Prof. **Yakiv P. Didukh**, DSc in Biology, Academician of the National Academy of Sciences of Ukraine (*M.G. Kholodny Institute of Botany, NAS of Ukraine; President of the Ukrainian Botanical Society*); Prof. **Myroslav D. Zaiachuk**, DSc in Geography (*Yurii Fedkovych Chernivtsi National University*); Senior Research Fellow **Anna A. Kuzemko**, DSc in Biology (*M.G. Kholodny Institute of Botany, NAS of Ukraine; Board Member of the Ukrainian Nature Conservation Group*); **Ihor V. Skilskyi**, PhD in Biology (*Chernivtsi Regional Museum of Local Lore*); **Alla I. Tokariuk**, PhD in Biology (*Yurii Fedkovych Chernivtsi National University*); Prof. **Illia I. Chornei**, DSc in Biology (*Yurii Fedkovych Chernivtsi National University*); Adjunct **Dmytro M. Yakushenko**, PhD in Biology (*University of Zielona Góra, Poland; Biosphere Reserve “Askania-Nova”*)

Conference Sections:

- Biotic and landscape diversity
- Modern methods/technologies/tools for monitoring biodiversity, natural resources, and climate
- Natural ecosystems under climate change and military conflict: status, dynamics, and conservation
- Implementation of conservation measures, recommendations, and management plans
- Natural history museum and herbarium collections in conservation research
- Environmental education and modern methodologies for teaching natural sciences
- Sustainable tourism in protected areas and international cooperation in nature conservation

Working languages of the conference: Ukrainian, English

Participation formats: in-person (*oral presentation with slideshow, poster presentation, or participation without a presentation*) and online (*participation via Google Meet, oral presentation with slideshow, or participation without a presentation*)

An electronic collection of conference proceedings is planned to be prepared prior to the event.

Poster Presentation Guidelines. The poster should be A1 size (84.0×59.4 cm) and include the following information: full name(s) of the author(s), name of the institution, author(s)' email address, title of the presentation. This information should be placed at the top of the poster in accordance with the formatting used in the conference abstracts.

REQUIREMENTS FOR CONFERENCE PAPER SUBMISSION

Conference materials must be prepared using *Microsoft Word*. The file name must correspond to the surname of the first author, written in Latin script (e.g., Korzhyk.doc).

Page format: **A4**

Length: up to **two** pages

Font: **Times New Roman**

Font size: **12 pt**, single line spacing (**1.0**)

Margins: **2** cm on all sides, paragraph indentation: **1** cm

Symbols: use **Symbol** font for special characters

Text alignment: **justified**

The materials should be formatted as follows:

1. First name and surname of the author (in bold, right-aligned), provided in both Ukrainian and English.
 2. Institutional affiliation(s) of the author(s), including institution name and email address(es) (also right-aligned).
 3. After one blank line, the title of the abstract in Ukrainian (in bold uppercase letters, font size 14 pt, centered).
 4. After one blank line, the title of the abstract in English (in bold uppercase letters, font size 14 pt, centered).
 5. After another blank line, the main text of the abstract, justified. Latin species names should be italicized.
 6. In-text references must be given in parentheses, indicating the author's surname and year of publication.
 7. At the end of the abstract, a list of references must be provided in accordance with DSTU 8302:2015.
 8. Materials **may** include a small table, chart, or figure (photo). **Do not use** font changes, register transformations, highlights, or additional formatting. The materials should be submitted to the Organizing Committee in **.doc** format via email.
- Authors are fully responsible for the scientific content, novelty, accuracy, and validity of the submitted materials, as well as for proper referencing and compliance with language and formatting standards.

The Organizing Committee reserves the right to: edit or reject materials that do not meet the conference's thematic scope or formatting requirements; assign abstracts to specific sections during the preparation of the conference program.

Sample Abstract Format:

Korzhyk V.P.
National Nature Park "Khotynskyi"
e-mail: vpkorzhyk@gmail.com

**PHYSICAL AND GEOGRAPHICAL ZONING OF CHERNIVTSI
REGION**

Main text of the abstract... (Korzhyk, 2024).
